

# Financial Statements of

**For the Year Ended December 31, 2021**

## **Independent Auditor's Report**

To the Members of the College of Midwives of Alberta

### **Opinion**

We have audited the financial statements of the College of Midwives of Alberta ("the College"), which comprise the statement of financial position as at December 31, 2021, and the statement of operations, statement of changes in net equity, and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the College of Midwives of Alberta as at December 31, 2021, and its financial performance and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

### **Basis for Opinion**

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

We are independent of the College in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Responsibilities of Management and Those Charged with Governance for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the College's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the College or to cease operations, or has no realistic alternative but to do so. Those charged with governance are responsible for overseeing the College's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could

### **Independent Auditor's Report**

reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the College's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of College's estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the College's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the College to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**College of Midwives of Alberta  
Notes to the Financial Statements  
For the Year Ended December 31, 2021**

**1. Nature of operations:**

The College of Midwives of Alberta (“the College”) was created on January 1, 2013 and is a not-for-profit association with a duty to public safety and to the midwives of Alberta, to support them in the provision of safe and effective midwifery services. The College is a regulatory body mandated to serve and protect the public interest by regulating midwifery practice in accordance with the Health Disciplines Act, the Midwifery Regulation, the Standards of Competency and Practice, the Bylaws of the College and any other relevant legislation. As of April 2019 Midwives in Alberta became Health Professionals regulated under the Health Professions Act and the Midwives Profession Regulation. The goal of the College is to register qualified, competent midwives to provide safe, high quality care to women and their families in the province of Alberta.

Since March 2020, there was a global outbreak of COVID-19 (coronavirus), which has had a significant impact on operations through the restrictions put in place by the Canadian governments regarding travel, operations and isolation/quarantine orders. The COVID-19 outbreak may continue to have an impact on the College depending on future developments that are highly uncertain and that cannot be predicted with confidence. These uncertainties arise from the inability to predict the ultimate geographic spread of the disease, and the duration of the outbreak, including the duration of travel restrictions, business closures or disruptions, and quarantine/isolation measures that are currently, or may be put, in place by Canada and other countries to fight the virus. While the extent of the impact is unknown, we anticipate this outbreak may cause government regulations which may impact the College’s operations and financial condition.

**2. Adoption of accounting framework, significant accounting policies, judgments and estimation uncertainty:**

The College uses the Canadian Accounting Standards for Not-For-Profit organizations issued by the Accounting Standards Board of the Chartered Professional Accountants of Canada.

Use of estimates - The significant area requiring the use of management estimates is accounts receivable allowance for doubtful accounts, amortization, and deferred revenues.

These financial statements have been prepared on a historical cost basis. The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Financial results as determined by actual events may differ from these estimates. These financial statements have, in management’s opinion, been properly prepared using careful judgment within reasonable limits of materiality and within the framework of the significant accounting policies summarized below.

The College discloses information about its objectives, policies and processes for managing capital, quantitative information about what the College regards as capital and information regarding its compliance with any externally imposed capital requirements and the consequences of any non-compliance. (See note 7).

**a. Financial instruments presentation and disclosure**

**i. Fair values not materially different from book values**

All financial instruments must be classified as one of the following five categories: loans and receivables; held-to-maturity investments; held-for-trading instruments; available-for-sale financial assets; or other financial liabilities. All financial instruments are initially recognized on the statement of financial position at fair value. Subsequent measurement will depend on their initial classification.

Cash and cash equivalents, Hearing investment funds, and Jurisprudence funds are designated as held-for-trading and are measured at fair value, which approximates carrying value. Accounts receivable are designated as loans and receivables and are initially recorded at fair value and subsequently measured at amortized cost using the effective interest method. Accounts payable and accrued liabilities, and deferred revenues are designated as other liabilities.

**2. Adoption of accounting framework, significant accounting policies, judgments and estimation uncertainty:**

**b. Revenue recognition**

Membership fee revenue is recognized as revenue over the period to which it relates. Membership fee revenues received prior to the due date are recorded as deferred revenue.

Government grant revenue and Alberta Association of Midwives grant revenues are recognized as revenue over the period to which it relates. Government grant revenue and Alberta Association of Midwives grant revenues received which apply to a subsequent period are recorded as deferred revenue and subsequently recognized as revenue over the period to which they relate. Restricted grants are recognized as revenue in the year in which the related expenses are incurred.

Volunteer contributed services

The College receives volunteer services in carrying out its activities which are not recognized in the financial statements.

Expense recognition

Expenses are recorded on the accrual basis whereby they are reflected in the accounts in the period in which they are incurred, whether or not such transactions have been finally settled.

**c. Fund accounting**

The College maintains the following funds:

i) General fund: To account for all revenues, expenses, assets and liabilities related to the operation of the College.

ii) Internally Restricted Hearing fund: To account for all revenues, expenses, assets and liabilities related to Hearings and Investigations conducted by the College.

**d. Income taxes**

No provision for income taxes has been made in these financial statements as the College is not subject to income taxes.

**e. Capital assets**

Furniture and equipment are recorded at historical cost. Amortization is provided on a straight-line basis over seven years, which represents the estimated useful lives of the assets. Computers are amortized on a declining balance basis at 30%. Amortization rates, estimates lives and salvage values are reassessed annually.

**f. Intangible software assets**

Intangible software assets relate to the development of an Alberta Midwifery Culture and Jurisprudence online learning module and examination. Software is amortized on a straight line basis over five years which estimates useful life of software asset. When the intangible asset no longer has any long-term service potential to the organization, the excess of its net carrying amount over any residual value should be recognized as an expense in the statement of operations.

**g. Use of estimates**

**i. Actual results could differ**

**2. Adoption of accounting framework, significant accounting policies, judgments and estimation uncertainty:**

The preparation of financial statements in accordance with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates and may have impact on future periods.

**3. Investment hearing**

Interest rate	Maturity	2021
0.65%	March 10, 2022	\$100,000
0.85%	March 10, 2023	100,000
0.50%	March 26, 2024	100,000
0.50%	March 26, 2025	100,000
0.50%	March 26, 2026	100,000
Accrued interest		999
Total		\$500,999

**4. Furniture, equipment and Software**

	2021	2020
Furniture and equipment	\$ 25,063	\$ 26,088
Accumulated amortization	(19,461)	(17,902)
	5,602	8,186
Software	114,008	114,008
Accumulated amortization	(18,850)	(14,441)
	95,158	99,567
Software grant	(95,158)	(95,158)
	\$ -	\$ 4,409

**5. Deferred revenue**

As at December 31, 2021 and 2020 the College has received the following amounts which relate to subsequent periods:

	2021	2020
Membership fees	\$ 373,495	\$ -
Hearings	80,278	129,901
<b>Total</b>	<b>\$ 453,773</b>	<b>\$ 129,901</b>

## **5. Deferred revenue**

Until November 2020, the College had held \$174,000 for new hearings. During 2019, the College anticipated an increase in future hearings and assessed a membership levy for hearings costs of \$1,500 per member which increased deferred hearings fund by \$99,000 from \$75,000 to \$174,000.

During 2021 the College recognized \$30,901 (2020- \$44,099) in hearing revenues that were applied against deferred hearing and consistent with hearings costs incurred during the year.

## **6. Financial risk exposure, risk management and financial instruments**

### **Fair value**

Financial instruments of the College consist primarily of cash and cash equivalents, Hearing investment funds, Jurisprudence fund, accounts receivable, accounts payable and accrued liabilities, and deferred revenues. As at December 31, 2021 and 2020, there were no significant differences between the carrying amounts reported on the statement of financial position and their estimated fair values. As at December 31, 2021 the College had government remittances of \$5,100 which were paid in January 2022.

### **Liquidity risk**

The College maintains sufficient cash on hand to meet current liabilities.

### **Interest rate risk**

The College has no interest bearing debt . Cash and investments bear interest at variable market rate

### **Credit risk**

Cash and investments are held with one bank. Accounts receivable is comprised predominantly of Registration Fees paid annually by Midwives. Revenues are presented net of accounts receivable impairment write-downs of \$10,631.

### **Foreign currency risk**

The College does not have significant exposure to foreign currency rate risk.

## **7. Capital Disclosures**

The College considers its capital to comprise of its net assets. The College Board of Directors objective for managing capital is to retain sufficient resources to achieve it's mandate while complying with any expenditure compliance requirements of Government or Alberta Association of Midwives grant funding agreements.

The College Board has the right to issue an additional levy to memberships fees should the need arise.

**8. General and Administration**

	2021	2020
Advertising and promotion	\$ -	\$ 877
Bank Service Charges	477	570
Computer	407	404
Dues and subscriptions	1,150	1,305
